

The Luxembourg-Poland Chamber of Commerce (LPCC) and the Deutsch-Luxemburgische Wirtschaftsinitiative (DLWI) bring their forces together to welcome you at a very special event.

The aim of this gathering is to **promote Luxembourg and the Saar region** for one of their common bonding features: **wine and tourism** centred on this theme. We hereby wish to create a discussion during which we will think together **how to reach the eastern European markets based on the example of Poland**.

The event will take place on 16 March at 6 pm at the Hotel Park Belair (111, Avenue du X Septembre, L-2551 Luxembourg). Please confirm your registration by 10 March.
